NOVEMBER 2020

SPSA Annual General Meeting

Due to the continuing Covid-19 situation there will NOT be an AGM this year. The situation will be reviewed in January, 2021

FUTURE EVENTS

In our August 2020 newsletter we stated that events that we were organising with two Lions Clubs were being cancelled. These have now been rescheduled for 2021.

Portishead Lions Club - Health and Wellbeing Event - Saturday 10th April followed by a PSA testing event on Saturday 5th June. Both events will be held at Somerset Hall, Portishead.

Radstock and Midsomer Norton Lions Club PSA testing event rescheduled for early July at the Methodist Hall in Midsomer Norton.

The Awareness and PSA testing event at Hinkley Point C has yet to be carried out.

Please continue to check the SPSA website and our Facebook page for updates

DONATIONS

The SPSA receives an annual donation from the Chaffcombe village coffee morning. This is due to the kindness of Mrs. Linda McDonald who has run this event for a number of years and the profits have been donated to SPSA. Our thanks go both to her and also the villagers of Chaffcombe. This year we received a donation of £127.00.
